

PUBLIC NOTICE
Herbicide Application
4/3/26

Public Notice is given that McGinty Bros will be performing vegetation treatments on Monday, April 6 at the following locations:

- Stratford Park native areas (swales).

The treatment will involve AquaMaster, a non-selective, post-emergence aquatic and terrestrial herbicide. According to the product label, reentry should be avoided until the application has dried, which typically takes about 4 hours.

For questions, please contact the Parks Department at 630-529-3650 x580.
