OUR MISSION

The Bloomington Park District strives to efficiently and economically provide recreation programs, facilities and open space for enjoyable leisure time experiences that benefit the community.

President's Letter

This past fall season was a meaningful one for our community. Together, we celebrated new spaces, honored dedicated services, and embraced opportunities to grow.

We kicked things off with the ribbon cutting for six brand-new pickleball courts at Sunnyside Park. The turnout was incredible, and the energy reminded us why investing in recreation is so important. Made possible by residents' input, the courts were buzzing with activity from day one.

We also honored retired Recreation Director Sandy Vangundy with the installation of three Buddy Benches. These benches not only recognized Sandy's decades of service but also stand as lasting symbols of kindness and friendship, aligned with the Character Counts Coalition.

This fall, the Bloomington Park District Museum opened its Doorway to the World exhibit, featuring international costumes, customs, and artifacts—a wonderful opportunity to celebrate diversity and spark curiosity close to home. As we moved into November, the construction project at Westfield Middle School began. While the construction is temporary it will affect some program locations. Our team will work to communicate clearly through email, our website, social media, and on-site updates any changes to our programming that the construction will influence. At the same time, we look ahead with excitement to the Festival of Lights and Tree Lighting Ceremony in Old Town Park, now a cherished community tradition.

We also look forward to the month-long December full lineup of holiday programs, with Old Town Park glowing in a dazzling light display. Looking forward, we are planning facade improvements at The Oasis Water Park, and advancing the Comprehensive Master Plan, guided by your input.

Thank you for being part of the Bloomington Park District family. Together, we build not only places to play, but also places to connect, belong, and thrive. From our family to yours, Merry Christmas and Happy New Year.

Sincerely,
Jerry Marshall
President
Bloomington Park District Board of Commissioners

BLOOMING NEWS

Ribbon Cutting Celebrates Six Brand New Pickleball Courts at Sunnyside Park

Six brand-new pickleball courts at Sunnyside Park have quickly become a hub of energy and connection. Opened this summer, the courts are filled most mornings and evenings with players of all ages, reflecting the sport's surging popularity. A September ribbon cutting marked the official opening, complete with a pickleball clinic that gave both beginners and seasoned players a chance to join the fun. The event highlighted how the courts add to Sunnyside's reputation as a destination for recreation, wellness, and community spirit.

“This project is about more than just new courts,” said Joe Potts, Executive Director. “It’s about creating opportunities for people to connect, stay healthy, and have fun together.”

Whether picking up a paddle for the first time or already hooked on the game, players now have a vibrant new space to gather and play right in the heart of the community.

BPD Round Table Discussion Series Continues

The Bloomingdale Park District is pleased to announce that its popular Round Table Discussions will continue in the upcoming year. These open forums provide an opportunity for residents to engage directly with Park District leadership, share feedback, ask questions, and learn about current projects and initiatives. Scheduled dates for the upcoming round tables are:

- **Thursday, February 12, 2026**
6PM The Lounge/Oak Room
- **Saturday, May 2, 2026**
10AM The Lounge/Oak Room

Each session will offer a casual setting for open dialogue and community connection. Dates, times, and locations will be shared on the Park District's website and social media channels as they approach. We encourage residents to attend and take part in shaping the future of parks and recreation in Bloomingdale. To RSVP for the October date email jackie@bloomingdaleparks.org.

Construction at Westfield Middle School: What It Means for Park District Programs

Beginning in November, Westfield Middle School (Bloomingdale School District #13) will undergo construction. This project will temporarily impact several Bloomingdale Park District programs and program locations over the coming months.

We are committed to keeping you informed every step of the way. As construction progresses, we will provide timely updates on any program changes through:

- Email notifications to registered participants
- Posts on the Bloomingdale Park District website and social media channels
- On-site signage at affected facilities
- Direct phone or text alerts, when possible

Thank you for your patience and understanding as we work through these changes together. Our goal is to ensure your experience remains as smooth as possible while construction is underway.

ADMISSION:

\$1/RESIDENTS, \$2/NON-RESIDENTS, \$.50/SENIORS

The Bloomingdale Park District Museum is Bloomingdale's oldest building and home to five to seven exhibits and 1,000+ visitors per year.

Built in 1849 as the First Baptist Church of Christ, visitors today can view the original 1849 ceiling, knotty pine floor, and some of the original glass pane windows. Bloomingdale Academy took over the property in 1860. In 1892, the building became the center of town serving as both the Township Office and the Town Hall. A jail cell was installed in 1910.

The historic building was sold to the Bloomingdale Park District in 1965 for the purchase price of \$1. The Park District soon began to offer programming to residents at this location. Fine arts and cultural exhibits began to emerge in the early 80s. A major restoration occurred in 1998 and included an art gallery addition. Additionally, much of the original architecture was restored and refurbished.

Competitive Gymnastics & Tumbling Teams

The Bloomingdale Beamers Teams are in their 46th season, currently competing in the Illinois Park District Gymnastics Conference (IPDGC). Beamers teams include the **Tumbling Team, Gymnastics Training Team** and **Optionals Gymnastics Team**. The two Gymnastics teams require a year-round commitment, while the Tumbling Team runs from Mid-September to Early March. Beamers teams compete in meets against other Park District teams. For more information or to schedule a skills evaluation, please contact Derek at (630) 529-3650 or derek@bloomingdaleparks.org.

Please Note: With your child's best interests in mind, parents are asked not to attend their child's class unless invited by the instructor. We have found the quality of instruction has often been affected by parent and/or sibling distractions, interruptions and various other concerns. It is of equal importance that children have quality leisure time with their peers. Our instructors welcome the opportunity to discuss concerns with parents before or after class, time permitting. Thank you again for your cooperation.

This exciting new class will focus specifically on various tumbling skills such as straddle rolls, front & back rolls, bridges, and cartwheels. As the gymnasts show proficiency in these skills, they will progress to more difficult skills such as flip flops, aerial cartwheels, and handsprings. This class is comparable to our Beginners 1 gymnastics class, only without work on the beam, vault, or bars so that the full focus can be on building up proficiency and confidence in tumbling skills.

Heard about Pickleball and want to learn more about the fastest growing sport in the country? Join us for our FREE Pickleball Clinic series where our instructor will teach you basic rules, skills, and strategies so that you can begin playing Pickleball recreationally. Pickleball combines many elements of tennis, badminton and ping-pong in which players use paddles to hit a plastic ball (similar to a wiffleball) over a net. It is FUN, easy to learn, and a good workout, but not overly strenuous. Technique and strategy are far more important than raw power, and that is why it is one of the leading recreational activities among adults 50+.
